¹ The technology, student service, and book fees are non-refundable.

² This cost is estimated. Tools & Supplies are not sold by AVTEC. Contact the [Admissions Office](#) for a list of required tools/supplies.

³ All Students who live in the dormitories must pay a \$200.00 security deposit. This fee is refundable providing the student leaves the dorm room clean and there are no damages.

⁴ The meal plans listed below include all meals: three meals per day on weekdays and two meals per day on weekends for the entire length of the training program. For information on plans available for non-residential students contact Admissions. The meal plans available for residential students are:

All Access Plan - all meals provided	\$1700 per term
200 Meal Plan	\$1300 per term
150 Meal Plan	\$975 per term
100 Meal Plan	\$650 per term
50 Meal Plan	\$325 per term

If your meal plan runs out you can purchase additional meals in groups of 10 for \$65. During the last month of training meals can be purchased individually for \$6.50 per meal. Please be aware that meal plans expire at the end of each term. Meals do not carry over to the next term. Unused meals are non-refundable.

Payment information for the programs listed above: A \$25 nonrefundable application fee (not listed above) is due with each training application. A registration fee of \$100 is due within 30 days of the applicant receiving a letter of acceptance. The student pays 1/2 of tuition, student service fee, technology fee, book fee and security deposits on the first day of training. **Students must pay their dormitory fees for the entire term, at the beginning of each term. Fall term is from the start of the student's training program until Christmas break. Spring term is from the end of Christmas break until the student's graduation date or summer break, whichever comes first.**
